Alright, I did coordinate with Ginny and by the end of the day hopefully we will have our travel arrangements all complete. Ginny was

talking about someone from EPA might be able to pick them up and drop them off at the airport? Is this possible we can all jump in one vehicle?

Thanks Tashina! Ginny has updated me on their travel plans as well. They are flying in to Oakland with a 10a arrival time and 7p departure on the same day. Remember that you can charge your travel to the grant. Lets stay in touch as things progress.

Good Morning Dante,

I spoke with Chairman Amber Friday morning about the meeting in San Francisco CA on January 25. She has agreed to that day so I believe we are making our travel arrangements to go along with YPT. Talk to you soon.

Thanks

Tashina
